Scrutinized Companies – O.C.G.A. § 50-5-84

Any Supplier that currently and/or previously, within the last three years, has had business activities or other operations outside of the United States, must certify that it is not a “scrutinized company.”

A scrutinized company is a company conducting business operations in Sudan, that is involved in power production activities, mineral extraction activities, oil- related activities, or the production of military equipment, but excludes a company which can demonstrate any of the following exceptions noted in O.C.G.A. § 50-5-84. False certification hereunder may result in civil penalties, contract termination, ineligibility to bid on a state contract for three or more years, and/or any other available remedy.

Additionally, a scrutinized company is defined as any sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly owned subsidiaries, majority owned subsidiaries, parent companies, or affiliates of such entities or business associations, that exists for the purpose of making profit owned or operated by the Government of China, Russia or Belarus.

If the Supplier is a scrutinized company, the Supplier shall not be eligible to bid on or submit a proposal for a contract with a State Entity unless the Department of Administrative Services (DOAS) makes a determination that it is in the best interest of the State to permit the scrutinized company to submit a bid or proposal. Any scrutinized company desiring DOAS to make such a determination should contact DOAS and GTA Procurement immediately.
